SKULL AND VINE® AND SKULL AND VINE® sugar

An inventive new design from The Homer Laughlin China Company, SKULL AND VINE® adds an air of mystical celebration to every meal. Demonstrating the high artistry that is the hallmark of HLC, it takes dinnerware decoration to new levels of inspiration.

The intricate pattern, inspired by symbols of the Day of the Dead holiday (Día de los Muertos), comes in two dramatically contrasting colorways: **SKULL AND VINE - Foundry** features a metallic design on a matte black cast-iron-like finish. **SKULL AND VINE - Sugar** boasts a festival of Fiesta® colors on a classic white ceramic background.

CREATED TO BRING SOMETHING SPECIAL TO THE TABLE, THIS IS STATEMENT DINNERWARE THAT'S A FEAST FOR THE EYES.

Whether you want to create a dark and mysterious aura or a bright, festive atmosphere, SKULL AND VINE attracts plenty of attention to the table. It is dinnerware for the bold and adventurous establishment, no matter the menu.

With painstakingly detailed skulls that dance amid swirling leaves and vines, the striking design resonates with all diners and dining styles from farm-to-table to urban, from Latin to American, from coffee-house chic to late-night hip. Give fine dining an edge, give comfort food a wink of humor, let signature dishes really bring down the house.

Available in dinner plates, pasta bowls, mugs, and more, SKULL AND VINE in both Foundry and Sugar serve to heighten appetites and encourage culinary creativity.
